Fine tuning completed, Computaform is flying!

Various additions and changes, accompanied by much fine tuning, have been made to the new-look Computaform since its launch in December.

Many were necessitated by printing issues and some resulted from resolving software gremlins that inevitably plague major changes to a publication of this complexity.

Others have flowed from requests and suggestions by users, whose opinions we value highly.

That process is now complete and we believe the outcome is a seven-star publication that is bright and modern with even more information than before. And, best of all, the paper quality is infinitely better.

This "How to read it" section has all the info you need to make the most of the new look.

Users are reminded that Fotoform is no longer available in the printed version of Computaform, but can be obtained online for a nominal fee of R250 annually. Go to *www.tabonline.co.za* for more info.

(d) PREVIEW: A thoroughly competitive fillies and mares handicap. TRICK is temperamental but she can't be faulted on form and looks well handicapped still. ALPINE RIDGE was too far back on the turf at Greyville. She gives the impression she has more to come still. SE AGABOR won a decent handicap race last time and from draw two with a top rider must go in. PEACE AGAIN has ability.
